

CAUTION STATEMENTS

For single use only | Do not reuse | Do not use if contaminated |
Non-Sterile | Store in cool, dry place |
Properly dispose of all used gloves in accordance
with local regulations and your institution's policies |

CAUTION: Medical-grade examination gloves are not intended for use as a chemical barrier. Powder free gloves contain no more than 2mg of powder per glove. Other components used in making these gloves may also cause allergic reactions in some users. If allergic reactions occur, discontinue use immediately and consult with a physician.
